AMERICAN RED CROSS

Dear Mother & Folks

Still here in Nice & doing nothing but looking this city over. We are right on the Nice but get come in every day around noon & stay to around midnight We have taken in just about everything & it is just like another furlough. Have gone to perfum factories & to Monte Carlo & saw where J. P. Morgan spend his vactions & where the Duck of Kinan spend his honeymoon & many other things you will enjoy hearing about.

Now We expect to leave for a Staging area around the first week in November & we don't expect to be there

FORM 539 A

to long before we are on our way across that Atlantic.

Have you heard from Frank since his visit? Last letter I had he was getting set to get a job of some kind. But I don't know what I will do for a job when I get back. I don't think I would like Dad's trade, but the first thing I have got to do is ~~[illegible]~~ get back.

Haven't got any mail for a good while as they have got it all mixed up. I have played a little football over the weekend. Hope I get back in time to take on a few games.

Must sign off now.

Love to All

"Dick"
